3. NEW BUSINESS

- A. Choral Boosters and Musical Theatre

- i. Choral Booster’s goal is to assist the choral program with manpower and money. The bylaws were written with only a Choral program in mind, not a Musical Theatre program.
- ii. Our current fundraising abilities as well as our volunteer numbers do not allow us to support both programs in the manner they need to be supported.
- iii. Only way to support both programs is to acquire a group of additional volunteers from the Musical Theatre side that is equally as involved as the volunteers we currently have for Choral Boosters. Without the additional manpower, we will not have the manpower or the financial ability to cover both areas.
- iv. This is something that requires minor wording changes to our bylaws, as well as additional support from Ms. Taylor / Mr. Broyles in acquiring and keeping additional volunteers. These volunteers cannot only be involved during the musical season, as fundraisers will require work throughout the year.

B. Assisting at the Musical
